

## Excellent Opportunity for UG & PG (Agri.) Students of NAU

We at the *University Placement Cell* of our esteemed University; are pleased to announce the **Forthcoming Campus Placement Interview of a leading F & V Group** to be held on **12<sup>th</sup> July, 2013 - FRIDAY**.

### DESAI Fruits & Vegetable Pvt. Ltd.

- DFWPL has India's first integrated pack house facility located at Navsari, Gujarat. The company has developed unique edge as a result of applying keen farmer insight, leveraging technology, implementing new ideas through R&D and incorporating international management practices. **Being India's leading banana producer**, focused on both the strongly growing Indian domestic as well as export markets, DFWPL has long established links to farmers and is the benchmark for sustainable and socially responsible farming: **currently approx. 1,000 farmers are under contract with a production volume of over 50,000 tons in FY10/11 and nearly doubling next year.**
- **Starting from the year 2002 as Desai Cold Storage Private Limited**, DFWPL has pioneered the introduction of world class pre and post harvesting technologies for premium quality bananas from India. With its excellence in supply chain management from field to customer, full traceability and safety of the produce is guaranteed. The USP of the company is to deliver consistent volumes of high standardized quality. This has made it the leading Indian exporter of premium Cavendish bananas. Since its inception, DFWPL has invested in R&D for agricultural practices and in developing long-distance transport protocols. These initiatives have helped the Company emerge as one of the leading exporters of high quality fruits and vegetables in India.
- In line with the long terms strategy to affirm the Company's commitment to expand and improve services, a **49percent equity stake was offered to and acquired by Deepak Fertilizers and Petrochemicals Corp. Ltd. Pune Maharashtra, in 2011.** Fusing competencies and synergizing with the marketing and service-driven strengths of DFWPL will further help gain market access and expertise to become the supplier of choice for global and domestic consumers and organized retailers.
