At the outset, Prof. H. Devaraj, Vice-Chairman, UGC welcomed all the members and briefly explained the various Anti Ragging initiatives taken by the UGC. He explained that in pursuance to the Judgment of the Hon'ble Supreme Court of India dated 08.05.2009 in Civil Appeal No. 887/2009, the University Grants Commission has framed "UGC Regulations on curbing the menace of ragging in higher educational institutions, 2009" notified on 17th June, 2009 which are in force.

After a round of introductions the Hon'ble Chairman addressed all the participants to work actively on the issue of ragging. Since ragging is a serious issue and there should be a change of mindset of students and parents. It is therefore imperative on the part of all of us to eradicate this evil completely. Prevention of Ragging should emerge as a social awareness programme in higher educational institutions.

As discussed on Agenda Item No.1, Member Secretary, with the permission of the chair, asked the committee to approve the minutes of the previous meeting. All the members approved the minutes of the 3rd Meeting of the Inter Council & Coordination Group held on 21.03.2014.

As discussed on Agenda Item No.2, several regulatory authorities, namely, Dental Council of India, Indian Council of Agricultural Research, Medical Council of India, Bar Council of India, All India Council for Technical Education and Pharmacy Council of India

made verbal presentations & submitted their written reports to the Anti-Ragging Bureau.

It has been decided in the meeting to request the University/Institutions to strictly follow the Anti Ragging Regulations made by UGC and other regulatory authorities. From time to time, UGC has also issued the Public Notices in the leading newspapers and send the circulars on "curbing the menace of ragging in higher educational institutions".

The Medical Council of India representative Mr. Anil Kumar, Chairman, Admin & Grievances Cell, made the detailed presentation on the ragging cases pertaining to Medical Council of India (MCI) and also briefed about the suicide case of Ms. Priyanka Mukherjee, who committed suicide due to ragging.

The Member Secretary, UGC asked the CEO, Syrex Info Services Pvt. Ltd. to respond to the complaint received from the employees of Syrex Info Services Pvt. Ltd, New Delhi.

Monitoring Agency (MA) made a power point presentation wherein the agency said that a total of roughly 3000 complaints were received by the Call Centre since June 2009. Last year had recorded the highest number of complaints at 640. The Monitoring Agency (MA) drew the attention of the Committee to an exceptionally high number of complaints received from Medical Colleges across the Country. The Monitoring Agency drew the attention of the committee to the fact that the medical colleges do not respond to the ragging complaints calls. MCI requested the Monitoring Agency (MA) to bring all such cases to the notice of MCI. Representative of

MCI assured that appropriate action will be taken against the erring colleges.

The Chairman of the Committee along with others members of the Committee advised Monitoring Agency (MA) not to use the word notorious against Universities/Vice-Chancellor/Principal of the College. He also requested the Monitoring Agency to act as facilitator instead of criticizing the UGC and other regulatory bodies.

Monitoring Agency (MA) requested the Chairman to constitute a sub-committee of 5 members for periodical review of the work of the Anti Ragging Cell in depth and submit a report to this committee with recommendations & plan of action.

As discussed on Agenda Item No.3, the Member Secretary requested the chairperson to constitute a small committee comprising of Director INFLIBNET, Ahmedabad, Member of Monitoring Agency and UGC officials to look into the problems/modifications in Standard Operating Procedures (SOP).

The Member Secretary emphasized the use of SOP in other regulatory bodies also.

The Members Secretary read out that total 52 complaints pertained to UGC as of now, out of which in 5 cases show causes notice has been issued to the college authority, 18 new cases have been registered in UGC out of which 9 first reminder has been sent to colleges/universities and 9 second reminder has already been sent to colleges/universities. In 11 cases of ragging, improper report has

been received from college authority and reminder has already been sent to college for sending the proper report to UGC for further necessary action in the cases. 15 cases have been sent for closure to the Monitoring Agency and returned back to UGC, in these cases victim has not been satisfied. 3 cases have been sent to other bureaus of UGC for further follow up action in the cases. Regulatory Bodies are also requested to send the complete and satisfactory Anti Ragging Committee Report to UGC for closing the ragging case.

The Members Secretary, UGC requested the Monitoring Agency (MA) to close the cases in SOP, which were approved for closure by the Chairman, UGC earlier i.e. before the installation of SOP. It was discussed in the meeting that no additional funds will be made available to the Monitoring Agency for installation of SOP in the system of officers and staffs of Anti Ragging Cell.

Monitoring Agency was requested to send the following details to UGC for further review of the Monitoring Agency:-

- 1) How many cases were settled by the Monitoring Agency.
- 2) SOP installation on the computers of staff of officers of Anti Ragging Cell.
- 3) How many compliance has been received by the Monitoring Agency and what action has been taken by the Monitoring Agency on incomplete compliances.
- 4) Action taken by Monitoring Agency on the ragging cases along with the duration of the case before forwarding the case to UGC.

The Member Secretary requested the Members of the Committee to upload the detailed enquiry report of ragging cases on their website.

The Member Secretary with permission of chair, requested all the Councils to get their Institutions NAAC Accredited and send the compliance report to UGC.

As discussed in Agenda item No. 4, the Monitoring Agency may be requested to provide modified Self Declaration Proforma as communicated in the minutes of the meeting sent to Monitoring Agency on 4th December, 2014. Modified Self declaration Performa is not yet provided by the Monitoring Agency.

The Member Secretary discussed the Action Taken Report in detail on the Minutes of the 16th Meeting of Dr. R.K. Raghvan, Former Director, CBI.

While concluding the meeting, The Hon'ble Chairman thanked the committee members for their commitment to the cause of eradication of Ragging. He promised the Anti-Ragging Cell full support of UGC and his personal support whenever required.

Hon'ble Chairman proposed vote of thanks to the Committee Members.
