Re: The J. N. Tata Scholarship Advertisement

Oldest of all Tata Trusts, the J. N. Tata Endowment has been awarding their prestigious loan scholarships to Indian nationals for higher studies overseas.

The Endowment has already released its advertisements, inviting applications for loan scholarships for higher studies abroad for the Fall 2016 and Spring 2017 semesters, in the education supplements/pages of The Times of India, Hindustan Times, The Hindu and The Telegraph. The second series of advertisements will be in Google, Facebook and the online edition of Education Times.

We enclose a copy of the advertisement and shall be grateful if you will kindly arrange to have it displayed on the Notice Board of your institution. Or if your students have a WhatsApp group, please circulate through such a group. Whichever way, please direct them to our website www.jntataendowment.org which contains all relevant information and the application form. We may add that we have taken the application process completely online and will not accept

applications sent by post. Meritorious students aspiring to go abroad for higher studies may be encouraged to apply before the due date, which is 45 days before the students depart from India.

The final selection of candidates depends on their performance at their interview, good results at the final examinations, achievements in co-curricular activities and evidence of admission to a reputed university abroad. All the awards are announced latest by the last week of July 2016.

With best regards,

sincerely,

Yours

Mr. T. J. Ravishankar

Director
