Sub: IEI YOUNG ENGINEERS AWARD 2016-17

The Institution of Engineers (India) is a multi-disciplinary professional body of engineers with 15 engineering disciplines and over 8,00,000 members in India and abroad. The Institution was established in 1920 and was incorporated by Royal Charter in 1935. It has been in the forefront of engineering profession addressing the socio-engineering problems for progress of the country. IEI functions among professional engineers, academicians, research workers to update their professional knowledge through continuous professional development. With its large international linkages and a network of 113 Centres in India and 5 Overseas Chapters, the Institution has built up wide reach and large infrastructure to meet its objectives of promoting engineering in all aspects.

With a view to promote the pursuit of excellence in the field of engineering, IEI has instituted "*IEI Young Engineers Award*". The purpose of the Award is to recognize outstanding achievements/contributions made by young engineers in engineering research, excellence in engineering technology development, technology transfer, etc. Any engineer citizen of India not older than 35 years of age as on **March 31, 2016** is eligible for the Award. The IEI Young Engineers Award is presented to awardees for all the 15 Engineering Divisions of IEI during the respective National Conventions. The awardees attending the National Convention will be provided with free accommodation and their travelling expenses (AC-3 Tier train fare by shortest route) will be reimbursed on production of original documents.

The Award consists of a plaque and a certificate. The recipient(s) of Award for each engineering discipline will be handed over the plaque and certificate during the respective National Convention, the dates of which will be communicated to the recipient(s) appropriately.

We request you to kindly disseminate this amongst the young engineers and encourage them to apply for the Award and also display the attached notice at your centre.
