CIRCULAR

As part of the preparations for the project implantation plan of the National Agricultural Higher Education Project (NAHEP), an Environmental and Social Management Framework (ESMF) needs to be developed. It is proposed to collect the information from the major stakeholders for every university through a survey monkey, the links for which are provided below:

1.	http://surveyfaculty.questionpro.com	(For Faculty) &
2.	http://surveystudents.questionpro.com	(For Students)

The response time for the questions has been well tested and it will take about seven minutes for a questionnaire. Dr. B. K. Bhatt, Associate Professor (Statistics), ASPEE College of Horticulture & Forestry, NAU, Navsari is appointed as a Nodal Officer to coordinate the conduct of this online survey among students of different courses and years and faculty members of different disciplines as per Appendix-I attached herewith.

All the concern Dean's are instructed to nominate faculties and students as per details given in the Appendix-I and educate them to complete this online survey before 6th April, 2016. After completion of online survey, concerned faculty members or students must be filled the information as per the Proforma (Appendix-II). Concerned Deans are requested to prepare the list of survey (faculty & students) and submit to the Nodal officer before 7th April, 2016.

То

All the Vice-Chancellors of SAUs & DUs

Dear Sir,

Greetings!

As part of the preparations for the project implementation plan of the National Agricultural Higher Education Project (NAHEP), an Environmental and Social Management Framework (ESMF) needs to be developed. It is proposed to collect the information from the major stakeholders from every university through a survey monkey, the links for which are provided below:

1. http://surveyfaculty.questionpro.com

2. <u>http://surveystudents.questionpro.com</u>

There are two questionnaires – one for faculty and the other for students. The response time for the questions has been well tested and it will take less than seven minutes for a questionnaire. You are requested to nominate a nodal officer to coordinate the conduct of this online survey among 100 students of different courses and years and 50 faculty members of different disciplines (the sample size is indicative and anything above is certainly welcome) from your university/institute.

The information to be received through this online survey will be of immense value in developing the ESMF. The Nodal Officer may be advised to initiate the exercise immediately from the faculty and students by making them available the relevant link/questionnaire. This is a national survey and collation and analysis of the information needs to be completed before 10 April 2016.

Hence, you are requested to identify and nominate a suitable Coordinator with a proper briefing to help us complete this task at the earliest.

Thanks for your kind cooperation in this regard.

Yours sincerely,

(NS Rathore)

Dr Narendra Singh Rathore DDG(Edn.), Indian Council of Agricultural Research Krishi Anusandhan Bhawan-II Pusa, New Delhi-110012 Ph No. 011-25841760

R

The WB Coordinator for NAHEP has prepared two sets of questionnaires to be administered through a survey monkey to faculty and students' samples across the SAUs and DUs to elicit information to be used in building an Environmental and Social Safeguards Framework (ESMF). The survey will be online and needs to be completed before 10 April 2016. The print outs of the questions are enclosed for perusal.

A draft of the communication to be sent from the DDG (Edn.) to all the VCs of the SAUs & DUs seeking their cooperation in executing this survey is also enclosed for approval. If approved, the letter shall be mailed to all the VCs.

(P.Ramasundaram) NC, NAHEP.

DDG (Edn.)
