F.No. PS/ADG(HRD)/2016

Dated: 1st August, 2016

To
All Vice-Chancellors

Sir,

I am happy to inform you that the President, ICAR and the Hon'ble Minister of Agriculture and Farmers Welfare has accorded approval for removing the existing restrictions on the number of attempts in ICAR-NET Examination in order to draw parity with that of UGC-NET Examination. This provision shall be applicable on the ICAR-NET notification advertised after 4th July 2016. This gesture will benefit the large number of candidates appearing for ICAR-NET Examination conducted by ASRB.

It may kindly be brought to the notice of all the concerned in the University and especially with the students community.

With regards,

Yours Sincerely,

M.B. Chetti
