Gujarat.

**Subject: Details of Experts.**

Dear Sir,

**Greetings from Knowledge Consortium of Gujarat!!!**

The Government of Gujarat has manifested eloquently its commitment to the future by creating the Knowledge Consortium of Gujarat (KCG). The KCG is committed to evolve a higher education system that is suitably with knowledge values, skills, to generate and provides paradigms for achieving excellence in education, educational management, and policies framing for education. By using these all different tools and application of knowledge KCG ensures that Gujarat carves a unique place for itself in the global knowledge society in the 21st century. If efforts go through right directions and results matches with our ultimate goal then in the nearer future Gujarat would be able to achieve the desired outcomes.

We believe in quality education and in order to ensure quality the assessment and accreditation of higher educational institutions is done under Academic & Administrative Audit (AAA-G). The initiative was taken by Government of Gujarat under quality assurance cell at KCG to strengthen the existing educational system. The accreditation is similar to the National level assessment and accreditation agency (NAAC) which not only awards CGPA and grades but also mentors Higher Educational Institutions for quality assurance.

We need a database for the peer members. We therefore request you to send the details of the faculty members in given enclosed format who have completed **15 years of experience in teaching**, as well as **worked as a peer member in NAAC**.

Thanking You,
