

## ABOUT GIDM

The Gujarat Institute of Disaster Management (GIDM) is registered as an Autonomous Society under the Government of Gujarat. The Institute has been entrusted with the responsibility of Human Resource Development, Capacity Building, Training, Research and Documentation in the field of Disaster Management. GIDM focuses on enriching the Capacities – in specific areas of Prevention, Mitigation, Preparedness, Relief, Recovery, Rehabilitation, Reconstruction and Sustainable Development of State Officials, District Administration, Autonomous Institutions and Non-Governmental Organizations.

Keeping this in view, the Gujarat Institute of Disaster Management (GIDM) has undertaken the initiative to launch Second Batch of **One Month full time Certificate Course in Disaster Management** from 1<sup>st</sup> April 2017.

The aim of this course is to develop in-depth understanding of Disaster Management Issues and Role of Disaster Managers in Risk Reduction and Mitigation.
