Private Limited is to be held **during April, 2017.** The details are as follows:

Aaria Bio-lifesciences Research Private Limited – www.aariabiolife.com

- ☞ The Aaria Bio-lifesciences Pvt. Ltd. have come together **to churn out efficient solutions for sustainable agriculture.** Their focus is on providing concepts, technologies and products in the field of agriculture and allied sectors. All inputs and technologies are designed to offer better applicability and easier implementation in all different kinds of terrains and diverse regions.
- ☞ The company is working towards driving conventional crop cultivation to a more residue free and organic farming, which in turn helps us in rebuilding and re-strengthening our ecology. Central to the company policy is the aim of sourcing all raw materials from nature which helps all products to blend beautifully with nature and makes their technologies eco friendly.
- ☞ For their Farm Business, they require **Agronomists who can work actively on their farms in Ahmedabad as well as help with research activity;** to work and excel with them...to join their dynamic team which is continuously excelling and causing exponential growth.

Available Opportunities & Locations: Agronomists @ AHMEDABAD
