SUB: FARMERS/ OFFICERS TRAINING PROGRAMMES ORGANISED BY NHRDF

Sir,

As you are aware, the National Horticultural Research & Development Foundation (NHRDF), a premier national level Organization working in the area of R & D on various exported oriented Horticultural crops especially Onion & Garlic for more than 40 years have introduced many national level high yielding varieties of Onion and Garlic. In addition to varietal development NHRDF has also developed improved agro-technology, plant protection, & Post harvest technology and popularizing the same amongst the growers in the country. The NHRDF is also designated as a National Level Agency for carrying out Mission for Integrated Development of Horticulture (MIDH) programme by Ministry of Agriculture, Govt. of India. We have well developed Research farms, Laboratories, Post harvest research complex, besides, having one of the most sophisticated and modern Pesticide Residue Analysis (PRA) Laboratory recognized by the APEDA & accredited by the NABL. A well equipped Bio-control laboratory also established and producing quality **Trichoderma viride** & **Nuclear Polyhedrosis Virus**. These are being manned by our reputed Scientists of different disciplines.

2. I am glad to inform you that we conduct short duration training course on Onion & Garlic production & post harvest technology, Hi-Tech Vegetable Production Technology, & Mushroom production etc. The training is meant for Scientists, officers, extension workers of agriculture/horticulture departments, students from Colleges, NGOs, and also Farmers to equip them with the latest techniques in production and post harvest technology of onion, garlic and other vegetable crops & is imparted training in both Hindi & English as per requirement.

3. You will be glad to know that apart from different State Governments, various other agencies including friendly foreign countries like Bangladesh Agricultural Research Institute (BARI), Bangladesh, Sri Lanka, Bhutan etc., have been regularly nominating their personnel for training. Due to its overwhelming response; we are prompted to continue these Training courses on regular basis.

4. We would be grateful if you may kindly nominate officials involved in agriculture/horticulture, extension workers etc., from your Department and also to those farmers associated (or likely to be associated) with your Department who are interested in cultivating these crops especially Onion & Garlic. It would be our pleasure to train and disseminate our expertise to them in most economical way. We assure you that we will not only maintain the high standards of training offered, but will continue to improve upon them with your support and suggestions.

5. For further information & clarifications about the training course, please feel free to contact the undersigned at the address given below:
