Sub: Opinion for best teacher award of agricultural faculty.....

Dear,

Considering the initiation of ICAR regarding 'Best Teacher Award' to enhance the educational environment in the SAUs of India the Navsari Agricultural University, Navsari has implemented in all constituent faculties. The N. M. College of Agriculture, Navsari was established in the year 1965 and it has awarded more than 2900 bachelor, 3340 masters and 240 doctoral degrees to the students. You are well aware the College is specifically engaged in education and educational research. How far it concerned to the educational environment, a teacher and student are the key factors and it plays pivotal role in all manners. Under this process, it was decided to give 'Best Teacher Award' to right teacher of this college and for that certain criteria's were developed to identify the students to get opinion for best teacher award. Being alumni of this college, your name is incorporated to get un-bias opinion in regard. I am happy to get your response as early as possible.

I request you to give priority for completing the task and return with your response in the enclosed annexure through self addressed envelope or through e mail.

Encl. As above
