

List of Instruments (Plant Pathology/Microbiology and Biochemistry)

Sr. No.	Name of the Instrument	No.
1	BOD Incubator with stabilizer	1
2	Laminar Air Flow Cabinet	1
3	Hot Air Oven Digital micro control	1
4	Fully Automatic Autoclave Steam Sterilizer/Vertical	1
5	Trinocular Microscope	1
6	Student Microscope	25
7	Pathological Microscope	5
8	Non teak wood Disease sample display cabinet	20
9	Magnetic stirrer with hot plate	1
10	Heating mantle	2
11	pH Meter microprocessor based	1
12	Hiloop auto sterilizer	1
13	Digital colony counter	1
14	Orbital shaking Incubator with digital temperature and RPM indicator	1
15	All quartz double distillation system	1
16	Vortex shaker	1
17	Water bath	1
18	Weighing balance	1
19	Refrigerator	1
20	COD meter	1
21	BOD Meter	1
22	UV -Vis Spectrophotometer	1
