

Dear Sir,

I take this opportunity to say that the seminar organized by the Anand Chapter of GAAS on “Intellectual Property Rights” was planned very meticulously and organized very nicely. I congratulate the whole Team for the grand success of this event.

As you might be knowing very well that the Government of Gujarat is going to organize a Mega seminar Agritech Asia-2013-14 at Mahatma Mandir, Gandhinagar during September 9-11, 2013. Before that GAAS, Ahmedabad is organizing a one day seminar as a fore runner event on 10th June, 2013 at Gujarat Vidyapith in the Diamond Jubilee Hall. The subject of seminar is **“Farmers’ Problems in context to the Sustainability of Agriculture in Gujarat”**. The outcome of the seminar in terms of recommendations emerging from the discussion during the seminar will provide more reliable background for ensuing “Agritech Asia” event scheduled during September, 2013.

Since the time is very short and many of scientists may be engaged in Krushi Mahaotsava, it is rather difficult to convey invitation individually. Therefore, I request you personally to engage some young and active Life members of GAAS of your university in each College/Research/Extension Unit to enroll at least 30-40 participants (including 5 Progressive Farmers). Inform me at least before 5-6-2013 at gmpatel_2012@rediffmail.com

I will also suggest to arrange for getting permission from University Authority as also a permission to use University Bus for this purpose.

Your efforts in this regard will help us to plan for Snacks and Lunch.
