Sub: Information Sought to prepare "Technology Basket"

Dear Prof. A. R. Pathak,

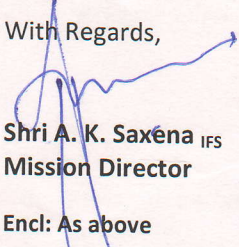

As you aware GSBTM is the nodal agency of the State- Government of Gujarat for the development of biotechnology in the state. GSBTM aims at ushering a culture of Research Commercialization & Technology Transfer in the State through **Technology & Research Management Programme [TRMP]** -vide '**Research 2 Rupees**' which aims to sensitize and build capacities of the faculty, researchers and professionals of our state in aspects of Technology Commercialization & Research Management in the field of Biotechnology.

An effort is being made towards creation of an information pool of the scientific outputs of the State, aiding to the economic development of the nation, by creating "**Technology Basket(s)**" of researches by some state scientists/faculty that are at differential stages of development and that might have potential for commercialization/ societal transformation.

This disclosure is valuable because it establishes a legal record of the invention while helping to facilitate the assessment and management of the technology. It is important that you provide the most comprehensive and complete invention disclosure possible; yet, ensuring that only brief and **NON-CONFIDENTIAL** information is being shared. Attach additional sheet(s) if needed.

It has envisaged that more information (including confidential information) can be shared of certain identified technologies/inventions and GSBTM shall accept this information under the conditions of Non-Disclosure, then.

It is requested to kindly forward the accompanying questionnaire to all your active researchers in the field of Biotechnology. It is further requested to issue instructions towards providing the requested information to this office by 30th June, 2013 to facilitate preparation of Technology Basket. If you have any query/details regarding the Form you may contact **Ms. Ritu Trivedi | JRF | Technology Basket Project** on **079-232-40896** or **Email on Research2Rupees@gmail.com** or **Dr. A. N. Bhadalkar** on **GujaratBiotech@gmail.com**.

With Regards,

 Shri A. K. Saxena IFS
