Sir,

In continuation of this Ministry's letter No 10-3/2013-NRM-I dated 30th July 2013 on
the above cited subject, I once again request you to take proactive measures to curb the
practice of burning crop residues and effectively use of funds under National Food Security
Mission (NFSM), Integrated Scheme of Oilseeds, Pulses, Oil palm & Maize (ISOPOM), Bringing
Green Revolution in Eastern India (BGREI), Rashtriya Krishi Vikash Yojana (RKVY), etc. not only
increasing the agricultural production and achieving the goal of the schemes /missions but also,
demonstrating to the farmers the advantages, economic as well as environmental, on curbing
such practices & promoting resource conservation technologies.

2. You are also requested to instruct concerned officials in the State to take proactive
appropriate steps to prevent the practice of burning of crop residues and at the same time
provide significant thrust to practical demonstration of improved crop residue management
techniques & resource conservation technologies to the farmers at the grass root level.

Yours faithfully
