**Circular**

---

I am glad to inform you that National Council for Climate Change, Sustainable Development & Public Leadership (NCCSD), Ahmedabad organizes one day National Level Seminar on **“Value Added Science Awareness to Strengthen Women’s Role in Climate Resilient Agriculture & Sustainable Development”** on 4<sup>th</sup> January, 2013 at Sardar Training Hall, NAU, Navsari. The main objective of the seminar is to provide scientific technological support and inputs to the women farmers so as to enable them to achieve sustainable development of agriculture.

In context to the above Seminar, It has been decided to publish compendium of related research note/informative literature based on topic/theme of the Seminar. Therefore, all the University Officers/Scientists/Extension Educationists are requested to prepare and send related research note/informative literature in hard copy and soft copy to this Office before 29-12-2012.

Dated: 20/12/2012

**Director of Extension Education**
