

A golden opportunity to put your career on a fast track progress...

University Placement Cell - NAU, Navsari

proudly announces a “One Day Career Management Trg. Programme”

Campus to Corporate – C₂C for

Enhancing Employability of Our Students at

Polytechnic Agricultural Engineering, Dediapada

After sometime, you will also be a tremulous and hopeful hunter in the job jungle. Now, at times you may feel totally inadequate to showcase your professional capabilities in the written form (CV / Resume), which

will create your image in the mind of the interviewer even before you walk in for the interview. So, you

need to write an effective resume / c. v. / bio-data. And ironically, for many of us, this might become a night mare!!! Even after getting an interview call from your prospective employer, you may feel unprepared and nervous, as it is always difficult for a job seeker, to face the interviewer, especially for freshers who are just out of college, seeking a job. Most people do badly at job interviews not because they are incompetent; but simply because they are just plain nervous. On the day of your interview, sweating palms and stomach butterflies are to be expected. But, good news is that writing an effective resume & giving interview is a skill, and just like any other skill, it too can be developed. You can reduce your stress level by knowing some common mistakes that candidates make in preparing their CV as well as while meeting with potential employers and avoiding them.

So, with the noble objective of equipping our students for lucrative career options, the University Placement Cell of our NAU, Navsari, has proudly organized this full day training programme. This time-tested career management training module will assist you to look at your skills and capabilities in an entirely new light; and equip you for crossing the selection hurdles of the corporates; so that you can win the race in this cut-to-throat competitive job market conditions. This highly interactive Campus to Corporate Module - C₂C will surely put your career on a fast track progress. So, come and enrich yourself for a better tomorrow - a journey from Campus to Corporate.
