5:17 PM

To: vc@nau.in

Dear all,

Greetings from Atmiya Group of Institutions, Rajkot. It gives us immense pleasure to draw your kind attention to the 5th International Conference on "Human Values in Higher Education" to be held at AGI campus in collaboration with IIT (BHU) Varanasi, IIIT Hyderabad, IKG-PTU Kapurthala and The Royal University of Bhutan from 8th – 10th Jan 2016. The conference will help participants to recognize the need of Universal Human Values and also learn about the efforts made in this area. It has been called for those who feel the need for Value Based Education and are making or want to make effort for humanising education. The first two conferences have been held at IIIT Hyderabad in 2012 and 2013, third in IKG-PTU Kapurthala in 2014, and fourth in RUB, Gedu, Bhutan. They have been quite fruitful. Today the content on universal human values is a part of the core curriculum of 33 universities in 7 states of India and 2 universities in Bhutan.

On behalf of organizing committee of 5th International Conference on Human Values in Higher Education, we invite you to actively participate and contribute to its success. Participants can take part actively and constructively in the speaker-led-discussions and panel-discussions so that they leave with concrete plans and specific action items.

We earnestly hope that you would accept our humble invitation and provide us the distinct opportunity to discuss how we can make collaborative efforts & wish the conference will be immensely benefited from your participation.

Best wishes – we look forward to a very active participation, leading to concrete commitments. AGI is privileged and honoured to extend its warm hospitality to a galaxy of eminent delegates from India and various parts of the world.

We are looking forward to host you here at AGI, Rajkot. Please feel free to contact us for any further information or assistance.

Regards

Organizing Team

ICHVHE Brochure.pdf

Open with

The brochure features a central image of a large, modern university building with a central fountain. Above the image, the title "5th International Conference on HUMAN VALUES IN HIGHER EDUCATION (ICHVHE-2016)" is prominently displayed. Below the title, the theme "Education for Undivided Society and Universal Human Order" is stated. The organizing partners listed include the Royal University of Bhutan, I.K. Gujral Punjab Technical University, Indian Institute of Technology (Banaras Hindu University), and the International Institute of Information Technology. Logos for these institutions are shown below the text. At the bottom, the date (8-10 January, 2016), venue (Atmiya Group of Institutions, Rajkot), and contact information (website, phone, fax) are provided. The names and titles of the Chief Patron, Patron, and Convener are also listed.

BACKGROUND

The world is going through rapid transition. Modern education is reaching ever more people, as a consequence big strides have been made in science, technology and medicine.

People can travel far and wide – man has been to the moon and back. Life spans have increased. There are ever more physical comforts.

Problems like obesity, cancer, depression, abuse of drugs and suicide have increased. Strife in family, corruption, terrorism and war; global warming and irreversible climate change – all these are staring us in the face.

Even the educated seem to face life with difficulty. They have to learn by
