**SUB: Invitation for GAAS awards application...**

All scientists of Navsari Agricultural University are hereby informed that the notification for various awards sponsored by Gujarat Association for Agricultural Sciences (GAAS), Ahmedabad is published in **news letter Volume 19-2, No. 27 Dtd. 07/11/2015.**

I humbly request scientists to see the attached file and apply for the same, if your valuable research work is really considered for the said awards. The last date for the application is 31<sup>st</sup> December, 2015 (likely to be extended).

Thanking You.

President  
GAAS  
Navsari Chapter

# NOTIFICATION FOR AWARDS

## (1) NOTIFICATION FOR HARI OM ASHRAM AYOJIT Prof. J. P. TRIVEDI AWARD

The President of the Gujarat Association for Agricultural Sciences, invites nominations from the various scientists or scientific bodies in Gujarat State for the "Hari Om Ashram Ayojit Prof. J.P. Trivedi Award **for the year 2015**-for the Research and Development in Agriculture and Animal Science. The award is to be given to the scientists for their notable and original research work done during the past five years. Such research work should have practical value in the fields of agricultural production and reduction in cost of production leading to economic prosperity of the concerned community.

One Award along with certificate and the cash up to Rs. 5,000/- will be given to the scientist or scientist(s) who have done notable and original (applied or fundamental) research work in the field of agriculture. The following branches of agricultural science will be taken into consideration :

(1) Plant Breeding, Genetics and Cytology (2) Agronomy Soil Science and soil Conservation. (3) Horticulture. (4) Entomology and plant pathology (5) Agricultural Extension & Economics. (6) Agricultural Engineering. (7) Other Agricultural Sciences which have direct bearing on Agricultural Production through increase in production or cost-minimisation.

Similarly another award of equal value will be given to the scientist or Scientists who have made notable and original research contribution in Animal Science which will include the following branches : (1) Animal Husbandary and related Sciences. (2) Veterinary Sciences. (3) Poultry Sciences. (4) Processing of Animal Products. (5) Manufacture of Milk products. (6) Economics of milk Production. (7) Other related Sciences which have direct bearing on production of milk/dairy products/ poultry through increase in production or cost-minimisation.

The main Scientist is entitled for 50 percent of the cash value of the award and the remaining value of the award will be distributed equally among all other co-workers.

### ELIGIBILITY OF SCIENTIST

- (1) The Scientist must be a citizen of India engaged in research in any field of Agriculture, Animal Husbandary, Dairy, Veterinary or related science in Gujarat State.
- (2) The Proposal duly certified by the unit head should be submitted through proper channel **in four copies along with two copies of passport size photograph.**
- (3) Application submitted for different awards at a time for the same work shall be liable to be rejected without any further correspondence.

- (4) All applicants should be a Life Member of GAAS
- (5) All applications should invariably give adoption level of technology generated and an account of socio-economic changes, if any. In case, of claims based on evolution of new varieties, the final trial in the tract concerned (called district trials) should have completed three years prior to the year of award.
- (6) The Scientist must have made by his research, conspicuously important contribution to human knowledge in the particular field or the endeavour as revealed in book, mimeograph and research papers.
- (7) If any scientist and or his co-worker(s) has already received the award from GAAS on this work, the same shall not be considered again. The certificate in this regard will have be signed by the applicant as well as Unit Head.
- (8) The award shall be given on the basis of contributions made within last five years prior to the year of Award.

The last date for each nomination (along with required details) to be filed in the office of the Gujarat Association for Agricultural Sciences is **31-12-2015**, Application for the award should be made in the prescribed forms as given here with.

## **(2) NOTIFICATION FOR SADVICHAR PARIVAR AWARD**

The president of the Gujarat Association for Agricultural Sciences, invites nominations from the various scientists or scientific bodies in Gujarat State for the Sadvichar Parivar Award for Agri. Research in cereals **for the year 2015**. The award is to be given to the scientist(s) for their notable and original research work carried out during the past five years. Such research work should have practical value in the field of agricultural production or reduction in the cost of production leading to economic prosperity of the concerned community. The award consists of a certificate and the cash upto Rs. 5000/- which will be given to the scientists who have made notable and original (applied or fundamental) research work in the field of Research in Cereals. The main scientist is entitled for 50 percent of the cash value of award and the remaining cash of the award will be distributed equally among all other co-workers.

### **ELIGIBILITY OF SCIENTIST**

- (1) The scientist must be a citizen of India engaged in the agriculture research work on cereals in Gujarat State.
- (2) The proposal duly certified by the unit head should be submitted through proper channel **in four copies along with two copies of passport size photograph**.
- (3) Application submitted for different awards at a time for the same work shall be liable to be rejected without any further correspondence.

- (4) All applicants should be a Life Member of GAAS
- (5) All applications should invariably give adoption level of technology generated and an account of socio-economic changes, if any. In case of claims based on evolution of new varieties, the final trial in the tract concerned (called district trials) should have completed three years prior to the year of award.
- (6) The Scientist must have made by his research, conspicuously important contribution to human knowledge in the particular field or the endeavour as revealed in book, mimeograph and research papers.
- (7) If any scientist and or his co-worker(s) has already received the award for GAAS on this work, the same shall not be considered again. The certificate in this regard will have to be signed by the applicant as well as Unit Head.
- (8) The award shall be given on the basis of contributions made within last five years prior to the year of award.

The last date for each nomination (along with required details) to be filed in the office of the Gujarat Association for Agricultural Sciences is **31-12-2015**, Application for the award should be made in the prescribed forms as given here with.

The last date for each nomination (along with required details) to be filed in the office of the Gujarat Association for Agricultural Sciences is **31-12-2015**. Application for the award should be made in the prescribed forms as given here with.

### **(3) NOTIFICATION FOR GAAS AWARD - FOR MERITORIOUS AGRICULTURAL EXTENSION AND DEVELOPMENT WORK'**

The president of the Gujarat Association for Agricultural Sciences invites nominations from the extension workers and concerned scientific bodies in agricultural and allied disciplines for the GAAS Award **for the year 2015**. The Award consists of the cash value upto Rs. 5000/- along with the merit certificate to be given to the scientist or scientists for their commendable Agricultural Extension work done in Gujarat. It should be of outstanding nature and should have applied utility resulting in the economic prosperity of the, Concerned community. The main scientist is entitled for 50 percent of the cash value of the award and, the remaining cash of the award will be distributed equally among all other co-workers.

#### **ELIGIBILITY OF SCIENTIST**

- (1) The applicant must be a citizen of India engaged in the extension work of Agriculture, in Gujarat State.
- (2) The proposal duly certified by the unit head should be submitted through proper channel in **four copies along with two copies of passport size photograph.**

- (3) Application submitted for different awards at a time for the same work shall be liable to be rejected without any further correspondence.
- (4) All applicants should be a Life Member of GAAS
- (5) All applications should invariably give adoption level of technology generated and an account of socio-economic changes, if any.
- (6) The GAAS award will be bestowed on a person who in the opinion of the Gujarat Association for Agricultural Sciences has made important contributions in technology dissemination as vouched by the extent of technology adoption, improvement in the productivity and socio-economic changes.
- (7) If any scientist and or his co-worker(s) has already received the award from GAAS on this work, the same shall not be considered again. The certificate in this regard will have to be signed by the applicant as well as Unit Head.
- (8) The award shall be given on the basis of contributions made within last five years prior to the year of Award.

The last date for each nomination (along with required details) to be filed in the office of the Gujarat Association for Agricultural Sciences is **31-12-2015**. Application for the award should be made in the prescribed forms as given here with.

#### **(4) NOTIFICATION FOR "MAHARSHI AGRI. RESEARCH INSTITUTE PRERIT SHRI ISHWARBHAI J. PATEL AWARD FOR THE BEST AGRI. RESEARCH IN ORGANIC FARMING - CEREALS AND VEGETABLE CROPS.**

The president of the Gujarat Association for Agricultural Sciences invites nominations from the various scientists or scientific bodies or concerned innovators in Gujarat State for "Maharshi Agriculture Research Institute prerit Shri Ishwarbhai J. Patel award for the best Agriculture research in organic farming on cereals and vegetable crops" **for the year 2015**. The research work should have practical value in the field of agricultural production and reduction in the cost of production leading to economic prosperity of the concerned community. The award consists of a merit certificate and the cash up to Rs. 10,000/- which will be given to the scientist who made notable and original (applied or fundamental) research work in organic farming of cereals and vegetable crops. The main scientist is entitled for 50 percent of the cash value of the award and the remaining cash of the award will be distributed equally among all over co-workers.

#### **ELIGIBILITY OF SCIENTIST :**

- (1) The applicant must be a citizen of India engaged in the research work on organic farming in Gujarat State.

- (2) The award shall be bestowed on a person who in the opinion of the association has made conspicuously important contributions to human knowledge in the particular field or his endeavour as revealed in books, monograph and research papers.
- (3) In case of claims based on evolution of new varieties, the final field trials in the tracts called District trials should have completed three years prior to the year of award.
- (4) The award shall be given on the basis of contributions made within three years, prior to the year of award.
- (5) Application submitted for different award at a time for the same work shall be liable to be rejected without any further correspondence.
- (6) Applicant should invariably give adoption level of technology generated and an account of socio-economic changes if any.
- (7) If any scientist and or his co-workers has already received the award from GAAS on this work the same shall not be considered again. The certificate in this respect will have to be given by the applicant as well as unit-head.
- (8) All applicant should be a life member of GAAS.
- (9) The proposal duly certified by the unit-head should be submitted through proper channel in four copies along with two copies of passport size photograph.

The last date for each nomination (along with required details) to be filed in the office of the Gujarat Association for Agri. Sciences is **31-12-2015**. Application for the award should be in the prescribed forms as given here with.

#### **(5) NOTIFICATION FOR "DR. C. J. PATEL AWARD FOR THE OUT STANDING RESEARCH WORK IN THE FIELD OF AGRONOMY :**

The president of the Gujarat Association for Agricultural Sciences invites nominations from the various scientists or scientific bodies or concerned innovators in Gujarat State for "Dr. C. J. Patel award for the out standing and original research in the field of Agronomy" **for the year 2015**. The research work should have practical value in the field of agricultural production and reduction in the cost of production leading to economic prosperity of the farming community. The award consists of a merit certificate and the cash up to Rs. 50,000/- which will be given to the scientist who made notable and original (applied or fundamental) research work in the field of Agronomy. The main scientist is entitled for 50 percent of the cash value of the award and the remaining cash of the award will be distributed equally among all over co-workers.

## ELIGIBILITY OF SCIENTIST :

- (1) The applicant must be a citizen of India engaged in the research work in Gujarat State.
- (2) The award shall be bestowed on a person who in the opinion of the association has made conspicuously important contributions in the field of Agromony as revealed in books, monograph and research papers published and extent of adoption by the stake holders.
- (3) In case of claims based on evolution of new technology, the final field trials in the tracts called District trials should have completed three years prior to the year of award.
- (4) The award shall be given on the basis of contributions made, prior to the year of award.

- (6) Applicant should invariably give adoption level of technology generated and an account of socio-economic changes of the stake holders.
- (7) If any scientist and or his co-workers has already received the award from GAAS on this work the same shall not be considred again. The certificate in this respect will have to be given by the applicant as well as unit-head.
- (8) All applicant including co-workers should be a life member of GAAS.
- (9) The proposal duly certified by the unit-head should be submitted through proper channel in four copies along with two copies of passport size photograph.

The last date for each nomination (along with required details) to be filed in the office of the Gujarat Association for Agri. Sciences is **31-12-2015**. Application for the award should be made in the prescribed forms I & II, as given here with.

## PROFORM : 1

(To be filled in by the Nominating Scientific Body for Nominating its Scientist or Scientists for "Hari Om Ashram Ayojit Prof. J. P. Trivedi Award"/ "Sadvichar Parivar Award" / "GAAS Award" / Maharshi Agri Research Institute prerit Shri Ishwarbhai J. Patel Award, Dr. C. J. Patel Award operated by Gujarat Association for Agricultural Sciences.)

The President,  
Gujarat Association for Agricultural Science  
Ahmedabad

Dear Sir,

**Sub : Hari Om Ashram Ayojit Prof. J.P. Trivedi Award\* / Sadvichar Parivar Award\* / GAAS Award\* / Maharshi Agri. Research Institute prerit Shri Ishwarbhai J. Patel Award\* Dr. C. J. Patel Award\*- Year-2014.**

1. Name of the Chief Scientist with designation
2. Title of the original and notable research work presented for the award
3. Years of Conducting such Studies
4. Further information As per proforma 2
5. Life Membership No.

I further certify that the research work carried out by the nominee has been finally tested at field level i.e. district level which the nominee has claimed to have carried out during the period from \_\_\_\_\_ to \_\_\_\_\_ which is at least one year before the year of award. It is further certified that the above research work has not been submitted for any other award in GAAS except for this award.

The details of the research work is attached here with.

Date : \_\_\_\_\_

Address : \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

(Signature of Head of the Departments / Scientific body)

(\*) Please mark ✓ which is applicable

## PROFORMA : 2

### Details of the Research work presented for the award

(To be Filled in by the applicant)

1. Name of Scientist in full  
(Surname first)
2. Qualification (mention Years)  
of getting such degree)
3. Designation
4. Name of Institute where the  
Scientist is/was working
5. Title and Subject of the research  
work submitted for award
6. Year of start of the research work
7. Year of completion of the research  
work
8. Names and address of co-workers  
and nature of contribution by each  
of them (if the research was  
conducted jointly)
9. Result published in  
(Please give citation followed  
by the Technical Journals,  
e.g. Indian J. Agric. Sci.)
10. Whether this research has  
been submitted for any other award,  
if so, please give details  
with outcome.

Date : \_\_\_\_\_

Address : \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

(Signature of Applicant)

#### Notes :

- (1) Please attach a detailed note along with four copies of documents of research works / investigations / discoveries etc. indicating the contribution or impact of such work.
- (2) Please attach four copies of publications as per item 9 of profoma.
- (3) In any of the above items mentioned in proforma if the space provided for reply is insufficient, a separate sheet should be attached and its reference should be made in the reply column.
- (4) In case, if it is necessary to support your research work by any other data which may help directly in evaluation of the research work, such data sheets may also be enclosed.
- (5) The applicant should be a Life member of GAAS. The scientists who are not members of GAAS are requested to subscribe as Life member of GAAS. Life membership fee is Rs. 1000/-
