The ICAR-National Academy of Agricultural Research Management (NAARM), Hyderabad announces ICAR sponsored **Short course on "Personality Development and Self-motivation for Enhanced Performance of Agricultural Scientists and Teachers"** during 12-21 July, 2016

Background

Personality is what makes a person a unique individual, and it is recognizable soon after birth of that individual. Personality is a result of the combination of many factors like heredity, psychological, physical features, culture, family, social, situational, physical environment, and particular experiences. Performance of people either teachers or scientists depends not only on their technical skills but also on their personality and motivation level. Knowledge and information on interpersonal relationship, leadership, conflict management, stress management, time management also helps in improving the performance of people.

Objectives

- To help participants understand their own personality dimensions
- To help the participants to find about their interpersonal skills
- To help the participants to develop basic skills in motivation and management of time and stress
- To adapt ideas of diverse skills for sharpening capacities to effectively execute various roles in the organization

Programme Content

The programme would cover the following broad areas:

- Personality typing and personality development
- Motivation, behaviour and work
- Interpersonal relationship
- Transactional analysis
- Perception and personality
- Effective communication
- Stress management
- Time management
- Conflict management
- Leadership and personality
- Organizational climate
- Lifelong learning

Methodology

The programme will consist of a blend of lectures, self-exploration instruments, and case analysis, experiential learning, and group discussion. The programme will provide excellent opportunities for mutual interaction and information sharing among the participants.

Venue

The programme will be conducted at the National Academy of Agricultural Research Management, Rajendranagar, Hyderabad-500030.

Programme fee

N. A.
A fee of Rs. 5000/- for the participants through Indian Postal Order favouring the National Academy of Agricultural Research Management, Rajendranagar, Hyderabad-500030.

Programme Dates, Duration

12-21 July, 2016 (both the days inclusive)

Participants are expected to arrive latest by the evening of 11th July 2016, and can leave after 1700 hrs. on 21 July 2016.

Last date for receipt of nomination

July 1, 2016

Eligibility / Who should attend?

Faculty and scientists from Agricultural Universities and ICAR institutes

Board and Lodging

All non-local participants will be provided accommodation and food, free of cost, in the Institutional Guest House/Hostel and are expected to stay in the well-furnished Halls of Residence or Scientists' Home on twin-sharing basis. Participants are requested not to bring any family members with them. Local participants are not eligible for boarding and lodging, however, local hospitality i.e. working lunch, tea, etc. will be provided.

Travel

The participants will be paid for the journey, to and fro, restricted to AC-II-tier train fare or bus or any other means of transport in vogue, as the case may be. Actual TA is to be paid normally on production of a certificate by the participants. TA may be paid from the place of duty to the Short Course location and back by the shortest route. No travel reimbursement will be made for air travel.

ICAR-NAARM is located in the Professor Jayashankar Telangana State Agricultural University (formerly Acharya N. G. Ranga Agricultural University)
