

CIRCULAR

All the students of first semester PG and their Major Guides are here by informed that we have adopted on line system for course card, but at present registration number is not allotted to the student. So, it is requested to submit two hard copies of course card duly signed by course teacher to the Major Guide. After allotment of registration number, Major Guide has to map the subject online and print of this mapping submits to this office.

Further, the M.Sc. (Agri.) students who want to seek admission in Ph.D are informed to discuss with their Major Guide and submit the *kachcha* bound thesis atleast three month before end of fourth semester. Major Guide are also requested to takes care for timely submission of the thesis.
