The ICAR-National Academy of Agricultural Research Management (NAARM), Hyderabad announces a Training Workshop on "Innovative Approaches to Technology Enhanced Learning" during **November 17 - 26, 2016** at Hyderabad

Background

Technology plays an important role in knowledge transfer in education. It not only improves the method of delivery thereby enhancing the comprehensibility of a subject but also aids in knowledge networking in a wider environment. Learning and teaching in many disciplines now occurs within technology enhanced environment. The emergence of the internet and latest Information and Communication Technologies has brought a whole new dimension to almost every aspect of society and in particular, to higher education. Recent initiative from NAIP towards e-content development for all the disciplines of agriculture is surely a great step towards ensuring the quality of education.

There is a need to strengthen the agricultural education by providing content which is enabled through better technology. It is important to understand different technology enablers to use them in creating, sharing and managing the educational content. The enablers need to be easy to implement, affordable and have relevance in NARES environment.

Objectives

- To sensitize participants on the concept of Technology Enhanced Learning (TEL) and its practice
- To provide an insight into different methods of teaching and learning through Technology Enhancements and impart practical training on effective teaching using e-media
- To inculcate the practice of Web based Learning Management for TEL resources using open source methodologies

Content

Technology Enhanced Learning environments & systems (Hardware and Software), Content Management Standards, learning objects, E-content development techniques using multimedia and web-based tools, video editing for TEL resources, E-teaching techniques, Web based content sharing methodologies, Web-based Virtual Learning Environment - concepts and practice, online collaboration techniques, Mobile learning

Methodology

The pedagogy consists of a blend of lectures, demos, and interactive sessions in a participatory mode, and extensive hands-on experiences.

Expected Learning Outputs

It will help to develop a systematic method for developing e-content in tune with latest trends in digital learning with emphasis on student-centric mode.

Programme Fee

There is **no fee for the shortlisted participants** as the programme is supported by the project on "**Technology Enhanced Learning in Agricultural Education**" funded by Education Division of ICAR under Niche Area of Excellence

Programme Dates, Duration

November 17 - 26, 2016 (Ten days). Participants are expected to arrive by the evening of the November 16, 2016 and can leave after 1700 hrs on November 26, 2016.

Last Date for receiving nominations

October 22, 2016

Who Should Attend?

Assistant Professor and above from Agricultural and allied Universities, Consortia partner institutes of TELAgE project, Central Agricultural Universities, and Scientists in equivalent cadres from ICAR Deemed Universities and Institutes

TA, Boarding and Lodging

All participants are expected to stay in the well-furnished Halls of Residence or Scientists' Home on twin-sharing basis. All participants will be reimbursed to and fro travel fare for the journey to Hyderabad by rail or bus or other means of transport used, on production of certificate for travel by the shortest route. The payment will be made as per their entitlement of class of travel, but restricted to

ICAR – National Academy of Agricultural Research Management
Rajendranagar, Hyderabad 500 030

Nomination Form

1. Name of the Programme and Date : **Management Development Programme on
Administration & Finance Management – November 7 – 10, 2016**

2. Full Name (in block letters) :

3. Designation :

3. Date of birth & Age :
