The details are as follows:

Monsanto India Ltd. – producing more...conserving more...improving lives...

www.monsanto.com and discover.monsanto.com

- ☞ The **Monsanto India Ltd. (MIL)** - a publicly listed subsidiary of the Monsanto Company, USA has a presence of more than Six Decades in India. It is committed to help the Indian farmers produce more; while conserving sustainably and to be successful.
- ☞ MIL focuses on maize (Dekalb®, India's largest selling hybrid maize seed brand) and agricultural productivity (Roundup®, the world's, as well as India's largest selling glyphosate herbicide). MIL endeavors to boost crop productivity through its advanced research in maize cultivation, access to a wide library of global maize germplasm, breeding technology and techniques, new high-yielding hybrid seeds, best-in-class manufacturing facilities, extensive agronomic activities and on-farm technology development.
- ☞ Monsanto is a **Fortune 500 Company**. It **ranks number 10 on Forbes' list of the world's most innovative companies**. Harvard Business Review had on its list of the **world's 100 best performing CEOs**, Monsanto's CEO Hugh Grant at number 10. Selected as **'100 Best Corporate Citizens 2010'** by Corporate Responsibility Magazine. Voted as **"Company of the Year" 2009** by Forbes magazine. Ranked amongst **"World's Ten Most Influential Companies" in 2008** by Business Week.
- ☞ Monsanto has also been ranked in **"Great Place to Work - Worlds' Best Multinational Workplaces" in 2013.**
