

INDIAN INSTITUTE OF PUBLIC HEALTH DELHI

13<sup>th</sup> April 2018

To,

The Vice Chancellor  
Navsari Agricultural University  
Navsari - 396450 Gujarat

**Subject: Veterinary Science Graduates can join on-campus Master of Public Health (MPH) programme at Indian Institute of Public Health - Delhi**

Dear Sir/Madam,

Greetings from Indian Institute of Public Health - Delhi!

As you may be aware Public Health Foundation of India (PHFI), is a public private initiative supported by the Ministry of Health & Family Welfare, Govt. of India, State Governments as well as multiple stakeholders. On March 28, 2006, organization was launched in Delhi by the then Prime Minister of India. It has a strong technical pool of multidisciplinary professionals and is recognized as a Scientific and Industrial Research Organization (by DSIR, Government of India). It is also designated as one of the six Global Health Systems Centre by the WHO. The five campuses of Indian Institutes of Public Health (IIPHs) under the aegis of PHFI are located in Delhi NCR (Gurgaon), Hyderabad (Telangana), Gandhinagar (Gujarat) Bhubaneswar (Odisha) and Shillong (Meghalaya), which offer on-campus as well as E-learning academic programs.

The **Indian Institute of Public Health-Delhi (IIPH-Delhi)** is a joint initiative of Government of NCT of Delhi, India and Public Health Foundation of India (PHFI). IIPH-Delhi conducts various academic programs including 'Master of Public Health (MPH), (Affiliated to Sree Chitra Tirunal Institute for Medical Sciences and Technology (SCTIMST), Trivandrum)'

**Veterinary Science Graduates are eligible to join on-campus Master of Public Health (MPH) programme at Indian Institute of Public Health - Delhi and can contribute towards the well-being of populations through work in public health.** The program brochures for the academic session 2018-20 are enclosed herewith for your reference. For any further information, please visit our website (<https://www.phfi.org/our-activities/academic-programmes/courses-and-admissions>).

We request you to kindly disseminate this program information among your students, faculty and research staff and please put up the posters and brochures on your institutions notice board.

# Veterinary Graduates can join Master of Public Health (MPH) at IIPH-Delhi

**INDIAN INSTITUTE OF PUBLIC HEALTH-DELHI (IIPH-D)**

**Announces admission for  
MASTER OF PUBLIC HEALTH (MPH)**

**July 2018-June 2020**

<b>About the MPH Program</b>	Master of Public Health (MPH) is conducted by Indian Institute of Public Health, Delhi (IIPH-D), a constituent unit of the Public Health Foundation of India (PHFI). This program is affiliated to Sree Chitra Tirunal Institute for Medical Sciences and Technology (SCTIMST), Trivandrum, <b>an Institute of National Importance under Government of India.</b>
<b>Why Master of Public Health ?</b>	Recently announced National Health Policy (NHP) 2017 by the Ministry of Health and Family Welfare (MoHFW), Government of India (GoI) has emphasised on the need for developing Public Health Management Cadre in all States/ UTs. ( <a href="https://mohfw.gov.in/sites/default/files/9147562941489753121.pdf">https://mohfw.gov.in/sites/default/files/9147562941489753121.pdf</a> ). This would require a sizeable number of trained public health professionals across India in the near future.  There are many more job opportunities in the areas of public health related to project management, research and policy engagement.
<b>Who can apply for this programme?</b>	Medical graduates (MBBS), Dental graduates (BDS), Graduates of AYUSH [Bachelor of Ayurvedic Medicine and Surgery (BAMS), Bachelor of Naturopathy & Yogic Sciences (BNYS), Bachelor of Unani Medicine & Surgery (BUMS), Bachelor of Siddha Medicine and Surgery (BSMS), Bachelor of Homeopathic Medicine and Surgery (BHMS)], BTech or BE (Any Branch) and graduates of four-year degree programs in Veterinary Sciences, Nursing sciences, Physiotherapy, Occupational Therapy, Pharmacy, or students with a postgraduate degree in Statistics/Biostatistics, Demography, Population Studies, Nutrition, Sociology, Economics, Psychology, Anthropology, Social Work, Management or Law may apply. Work experience in a health-related field is desirable.
<b>Location where MPH programme is available?</b>	Indian Institute of Public Health-Delhi (IIPH-D) Public Health Foundation of India (PHFI) Plot No. 47, Sector-44, Institutional Area, Gurgaon-122002, Haryana, India.
<b>Is there any scholarship available?</b>	Suitable candidates across IIPHS with good academic background will be benefitted through the following Scholarships, as per the eligibility criteria, for the year 2018-20. <ul style="list-style-type: none"><li>• Emmes Scholarships (covers partial tuition fee of awardees)</li><li>• McKinsey &amp; Company Sashaktikaran (empowerment) Scholarships (covers partial tuition fee of awardees)</li></ul> For further details and eligibility criteria please visit the website: <a href="https://phfi.org/our-activities/academic-programmes/scholarships/1613">https://phfi.org/our-activities/academic-programmes/scholarships/1613</a>

**What are the Job opportunities available?**

The placement cell at IIPH-Delhi supports the placement process by identifying relevant career opportunities for those who are seeking placement assistance. More than 91% placements have taken place since inception. Details of placement cell at <https://phfi.org/our-activities/academic-programmes/placements-of-phfi-graduates>

# Master of Public Health (MPH) program at IIPH-Delhi

## BACKGROUND

The public health system in India can be strengthened through the presence of well-trained and competent public health professionals. Qualified public health professionals are a necessity to achieve the Sustainable Development Goals. Such an inter-disciplinary public health workforce can also advance the vision of Universal Health Care. The aim of our MPH program is to make public health education and research activities relevant to India in content and context, while attaining standards which are qualitatively comparable with the best in the world. The Indian Institute of Public Health-Delhi (IIPH-Delhi) is pleased to announce its call for applications, for the third batch of Master of Public Health being offered in the academic year July 2018 - June 2020, affiliated to Sree Chitra Tirunal Institute for Medical Sciences and Technology (SCTIMST) Trivandrum, an Institute of National Importance under Govt. of India.

## PROGRAM OBJECTIVES

1. Prepare students in program organization and management, problem solving, and critical thinking in the public health domain.
2. Prepare students to undertake public health research in Institutional and field setting.
3. Prepare students to work in socially, culturally and economically diverse populations by being attentive to needs of vulnerable and disadvantaged groups and well versed with existing health system.
4. Promote qualities of leadership and effective use of communication skills for health advocacy among students.
5. Prepare students for teaching /training posts in public health Institutions.

## PROGRAM DURATION

The program is divided in four semesters over a period of two years. Students must complete 60 credits to graduate.

## MINIMUM EDUCATIONAL QUALIFICATIONS FOR ADMISSION

Medical graduates (MBBS), Dental graduates (BDS), Graduates of AYUSH [Bachelor of Ayurvedic Medicine and Surgery (BAMS), Bachelor of Naturopathy & Yogic Sciences (BNYS), Bachelor of Unani Medicine & Surgery (BUMS), Bachelor of Siddha Medicine and Surgery (BSMS), Bachelor of Homeopathic Medicine and Surgery (BHMS)], B Tech or BE (Any Branch) and graduates of four-year degree programs in Veterinary Sciences, Nursing sciences, Physiotherapy, Occupational Therapy, Pharmacy, or students with a postgraduate degree in Statistics/ Biostatistics, Demography, Population Studies, Nutrition, Sociology, Economics, Psychology, Anthropology, Social Work, Management or Law may apply. Work experience in a health- related field is desirable.

## UNIQUE FEATURES OF THE MPH PROGRAM

- Inter-disciplinary approach
- Competency driven curriculum
- Linkages with public health practice
- Emphasis on problem solving, case based learning
- Use of innovative pedagogy
- Focus on transformative learning

## COURSE FEES

### Tuition Fee\*:

- **For Indian and South Asian Nationals:** The annual tuition fee for the students admitted in academic year 2018-19 is INR 1.80 Lakhs per student per academic year. (The total fee for the two year program is Rs. 3,60,000/- which includes Rs. 10,000/- admission fees and Rs. 10,000/- examination fees)
- **For International Candidates:** The annual tuition fee for the students admitted in academic year 2018-19 is 5,500 USD per student per academic year.

\* This does not include hostel fee, cost of books, stationery, certificates, food, field trips, dissertation, convocation etc.

## SCHOLARSHIPS

Limited number of scholarships for MPH students may be awarded to the deserving and meritorious candidates, subject to availability of funds. Please visit PHFI website, [www.phfi.org](http://www.phfi.org) for more details on scholarships.

## PLACEMENT CELL

The placement cell at IIPH-Delhi supports the placement process by identifying relevant career opportunities for those who are seeking placement assistance.

Since inception, the institute has placed 93% of its graduates from all its program.

## ADMISSION AND SELECTION

Application would be screened based on eligibility criteria. Eligible applicants would then go through a selection process, which includes a written test and an interview.

### Number of seats: 50

Reservation of seats in admissions will be as per Government of India policy as applicable from time to time. If suitable candidates are not available under the reserved category, the seats will be filled by general category candidates.

## TRACKS\*

- Health economics, financing, and policy
- Health systems with focus on monitoring and evaluation
- Public health research
- Global health
- Environmental (incorporating climate change) and occupational health

\* 2-3 tracks will be offered based on the interest of students. The decision of which track is to be offered in a particular academic year will be the prerogative of IIPH-Delhi.

## AWARD OF DEGREE

The degree will be awarded to successful graduates by Sree Chitra Tirunal Institute for Medical Sciences and Technology (SCTIMST), Trivandrum (An Institute of National Importance under Govt. of India).

## ABOUT PHFI

PHFI is a public-private initiative that collaboratively evolved through consultations with multiple constituencies, including Indian and international academia, state and central governments, multi- and bi-lateral agencies, and civil society groups. PHFI aims to address the limited Institutional capacity in India for training, research, and policy development in the area of public health through establishment of Indian Institutes of Public Health across the country. Structured as an independent foundation, PHFI adopts a broad, integrative approach to public health, tailoring its endeavours to Indian conditions and bearing relevance to countries facing similar challenges and concerns.
