Appreciation

Dear Students & Alumni of NAU, we are glad to intimate all the students of Navsari Agricultural University that our University has achieved ninth rank for the year 2017, among all the recognized State Agricultural Universities, Central Agricultural Universities and Deemed Universities of the nation. Hon. Vice Chancellor has expressed his warm congratulations to all the present and passed students of the University for their sincere and honest efforts.

Each year Education Division, Indian Council of Agricultural Research, ICAR, ranks Agricultural institutes on the basis of their academic, research and extension outcomes. The University could not have achieved this notable position without your hard work and subsequent successes in JRF / SRF / NET / ARS and Youth Festivals as well as other exemplary accomplishments at the national level. We hope the efforts and hard work of our current students will continue to help us in securing still higher ranks in the years to come.
