NAVSARI AGRICULTURAL UNIVERSITY, NAVSARI, GUJARAT, INDIA

Title of the position: Short term subject consultant (Automated Dairy Unit)

The Client: Navsari Agricultural University, Navsari, Gujarat, India

Reporting Lines: Principal Investigator & Nodal Officer CAAST, O/o DR & Dean PGS, University Bhavan, NAU, Navsari-396 450, Gujarat, India

Particular	Contents/Comments				
1) Background information on the	The Organization : Navsari Agricultural University, a state agricultural university was established in the year 2004 with the enactment of Act No. 5 of 2004 (Gujarat				
project and the	Agricultural Universities Act, 2004) and mandated to work in the field of higher				
assignment	education in different Agriculture and allied sciences like Agriculture,				
	Horticulture, Forestry, Veterinary Sciences and Animal Husbandry, Agribusiness				
	Management, Agricultural Engineering Food Processing Technology,				
	Biotechnology, Fisheries <i>etc.</i> ; as well as contribute in the location specific research				
	in agricultural field and also act as a nodal agency for the extension of developed				
	technologies to the end users such as farmers, consumers, entrepreneurs etc.				
	The Project: Indian Council of Agricultural Research is the premier body				
	working under Ministry of Agriculture, Cooperation and Farmer Welfare,				
	Government of India (GoI) which is handling core issue of regulation and				
	development basic and higher education, research and extension activities in				
	agriculture and allied field.				
	The Indian Council of Agricultural Research (ICAR) in collaboration with the				
	World Bank has enunciated a series of projects to revamp the national research,				
	extension and innovation systems. The National Agricultural Higher Education				
	Project has been conceived to enable the agricultural education system catch up				
	nationally and internationally with the peers. This project is aimed at enhancing the				
	capability of best of the agricultural universities in the country (like the DUs in the ICAR system) to become globally relevant and competitive by investing in chosen				
	core activities that have a bearing on their reckoning to be counted in the race. This				
	project has several components and subcomponents. However, Navsari				
	Agricultural University had obtained a project entitled "Establishment of				
	Secondary Agriculture Unit for Skill Development in Students and Farmers				
	at NAU, Navsari" in subcomponent Investments in Centres for Advanced				
	Agricultural Science and Technology (CAAST) on June 13, 2018. The objectives				
	of this project are to acquaint PG students, faculty members and technical project				
	staff with latest technologies in different spheres of secondary agriculture, capacity				
	building, competency development, product development and its				
	commercialization. This project shall focus on Processing and Waste Utilization in				
	Horticultural Produce; Scientific Utilization of Non-Timber Forest Products and				
	Medicinal and Aromatic Plants, Establishment of Small-Scale Climate Resilient				
	Dairy Unit and Pesticide Residue Analysis from agricultural and other food				
	commodities.				

Background for Consultancy:

The CAAST project sub unit will seek advisory services to a person that match the criteria and provide assistance to CAAST project (sub unit: Establishment of Small-Scale Climate Resilient Dairy Farm Unit) team members to develop layout plans, bidding process and establishment of climate resilient mechanized indigenous dairy cattle farm unit at NAU, Navsari. The dairy consultant will help in selection and procuring elite dairy animals from various farms/farmers herd. The dairy consultant will engage with national and international experts in various fields of expertise such as animal feeding, veterinary medicine and dairy farm management and provide support to the project and to have linkage with them. The dairy consultant will render his expertise in various training, seminars, workshops to be organized under this project sub unit. He will also remain involved with formulation of various research activities and development of various product diversification methods/techniques involving milk and by-products.

2) Precise statement of the objectives of assignment

The Project envisages educating the students with basic and applied concept of small scale, climate resilient modern indigenous dairy cattle farming unit. It aims to adopt need-based climate change mitigation strategy for small scale modern indigenous dairy cattle farming for improved cattle welfare through eco-friendly approaches and to improve the profit maximization through product diversification involving milk products and by-products of dairy cattle farming system. Overall it aims to establish a model small-scale climate resilient dairy unit which will provide an opportunity for skill-oriented training programme for students, to explore newer technique/methods/protocol/housing design for climate resilient dairy farming and to look out for potentials of product diversification as income maximizing tool.

The dairy consultant will provide assistance to this CAAST project sub unit members to fulfil the following objectives:

- i. Assistance in development of layout plan, bidding process and establishment of dairy farm.
- ii. Formulation of farm management plan.
- iii. Development of business plan for this dairy unit.
- iv. Identification and framing R&D work concurrent to contemporary world as well as the new frontiers in climate resilient dairy farming and product diversification avenues.
- v. To assist in procurement of various equipment.
- vi. To facilitate development of linkage and working relation for sharing the expertise, infrastructure and technical knowhow between this project sub unit and world-class national and international private and government institutes/organizations.

3) An outline of the tasks to be carried out (Scope of services) including transfer of knowledge, if any

The consultant (s) have to support and provide the guidance to CAAST project members in

- 1. Layout plan for establishment of climate resilient dairy farm unit,
- 2. Selection of elite dairy animals for purchase
- 3. Formulation of management plan for this farm
- 4. Evaluation of land requirement for fodder cultivation and fodder cultivation plan.
- 5. Budgeting, work plan for this dairy unit.
- 6. Purchase of various equipments, instruments, machinery, consumables plan.
- 7. Identification and framing R&D work and product diversification avenues.

4) Schedule for completion of tasks:

Most of the work related this project will be done at NAU, Campus however for certain specific works the consultant may have to go the other part of the Gujarat or other parts of India.

- Duration and Length of the Assignment: The Initial contract period of
 the assignment will be start from February 01, 2019 till March 31, 2019.
 The length of this assignment will be about 20 working days However, the
 length of contract period will be subjected to expansion. But it is based on
 discretion of committee of NAU.
- Financing and Payment Schedule: The assignment will be financed under CAAST project entitled "Establishment of Secondary Agriculture Unit for Skill Development in Students and Farmers at NAU, Navsari" under National Agricultural Higher Education Project. The payment will be made in two installments based upon submission and approval of the final report related with all deliverables. This Contract shall come into effect on the date the Contract is signed by both Parties or such other later date as may be stated in the TOR.
- The Consultant shall begin to carrying out the Services not later than the number of days after the Effective Date stated in TOR.
- Unless terminated earlier, Contract shall expire at the Effective Date as specified in the TOR.

5) Description of key professionals whose CVs would be evaluated

Educational Qualifications:

• Ph. D. degree in veterinary and animal science subject

Experience:

- Should have expertise in managing farm/livestock production management department.
- Substantial data management expertise: using MS Excel and relational databases.
- Strong analytical and problem-solving skills.
- Demonstrated ability to set priorities and to work with minimum supervision in order to meet changing deadlines.
- Fluency in English and Hindi language.
- Preferably should have worked with reputed international organization/institution as a consultant.

11.1) Extension of Time	Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of <i>Force Majeure</i> .				
11.2) Payments	During the period of their inability to perform the Services as a result of an event of <i>Force Majeure</i> , the Consultant shall be entitled to continue to be paid under the terms of this Contract, as well as to be reimbursed for additional costs reasonably and necessarily incurred by them during such period for the purposes of the Services and in reactivating the Service after the end of such period.				
12.1) Termination by the Client	The Client may terminate this Contract in case of the occurrence of any of the events specified in following paragraphs (a) If the consultant does not remedy a failure in the performance of their obligations under the contract, within thirty (30) days after being notified or within any further period as the client may have subsequently approved in writing. (b) If the consultant becomes insolvent or bankrupt. (c) If the consultant, in the judgment of the Client has engaged in corrupt or fraudulent practices in competing for or in executing the contract. (d) If, as the result of <i>Force Majeure</i> , the Consultant are unable to perform a material portion of the Services for a period of not less than sixty (60) days. (e) If the client, in its sole discretion and for any reason whatsoever, decides to terminate this contract.				
12.2) Termination By the Consultant	The Consultants may terminate this contract, by not less than thirty (30) days' written notice to the client, such notice to be given after the occurrence of any of the events specified in following paragraphs (a) If the client fails to pay any money due to the consultant pursuant to this Contract. (b) If, as the result of <i>Force Majeure</i> , the consultant is unable to perform a material portion of the services for a period of not less than sixty (60) days. (c) If the client fails to comply with any final decision reached as a result of arbitration.				
12.3) Payment upon Termination	Upon termination of this Contract the Client shall make the following payments to the Consultant: (a) payment for services satisfactorily performed only prior to the effective date of termination				
13) Conflict of Interests	The consultant shall hold the client's interests paramount, without any consideration for future work and strictly avoid conflict with other assignments or their own corporate interests. The consultant shall not accept for their own benefit any trade commission, discount or similar payment in connection with activities pursuant to this contract or to the services or in the discharge of their obligations under the contract and the consultant shall use their best efforts to ensure that the personnel, any sub-consultants and agents of either of them similarly shall not receive any such additional payment. The consultant shall not engage and shall cause their personnel as well as their sub-consultants and their personnel not to engage, either directly or indirectly, in any business or professional activities which would conflict with the activities assigned to them under this contract.				

46.00 00 00 00	
14) Confidentiality 15) IPR and Publication	Except with the prior written consent of the client, the consultant and the personnel shall not at any time communicate to any person or entity any confidential information acquired in the course of the services, nor shall the consultant and the personnel make public the recommendations formulated in the course of, or as a result of, the Services. All IPR and publication rights will remain with the client only. The consultant will not claim any IPR and will not publish any report/findings <i>etc</i> . in any form without prior permission of the client.
16) Arbitration	 It is hereby agreed between the two Parties that TOR shall be executed in manner and form outlined in this Agreement. Any dispute, controversy, difference of any kind whatsoever or claim arising out of or in relation to this Agreement, or the breach, termination or invalidity thereof, shall be settled amicably by negotiation between the Parties. If no amicable resolution or settlement is reached within a period of thirty (30) days from date on which above-mentioned dispute or difference arose, such dispute or difference shall be referred to an Arbitrator, appointed by mutual consent of both the Parties herein. If the Parties cannot agree on the appointment of an Arbitrator within a period of two months from the notification by the party to the other of existence of such dispute, then the Arbitrator shall be appointed by NAU-Navsari. The seat of arbitration shall be Navsari and arbitration shall be conducted in English language. The arbitration will be carried out in accordance with the provisions of Indian Arbitration and Conciliation Act of 1996 or of any modifications or reenactments thereof. The arbitral award will be final and binding, subject to legal remedies available under the law. Existence of any dispute or difference or initiation or continuance of arbitral proceedings shall not postpone or delay performance by Parties of their respective obligations under or pursuant to this Agreement. Further, this Agreement shall remain subsisting and operative during the arbitral proceedings and no payment due and payable to either Party shall be withheld except payment in dispute, if any. This Agreement shall be governed by, construed and enforced in accordance with the prevailing laws of India.
17) Recommended Presentation of Proposal	Given below is the recommended format for submitting your proposal. The following headings with the required details are important. CVs with a proposed methodology addressing the elements mentioned under deliverables must be submitted by 5 th January, 2019 electronically <i>via</i> email: caastnau@gmail.com Incomplete applications will not be considered and only candidates for whom there is further interest will be contacted. Proposals must include:
	CV or written form addressing the evaluation criteria and why you consider yourself the most suitable for this assignment. The selected

candidate must submit a signed form prior to contract award.

- 3 professional references most recent
- A brief methodology on how you will approach and conduct the work
- Financial Proposal specifying the daily rate and other expenses, if any
- Letter of interest and availability specifying the available date to start and other details.
