To,
The Nominating Authority

विषय/Sub: Training programme on 'Storage Pests Detection, Identification and management' from 04.02.19 to 08.02.19 (5-days) - reg.

महोदय/Sir,

1. As you are aware, food grains are damaged due to various biotic and abiotic factors during storage. Among different factors, stored grains pests cause both qualitative and quantitative loss in stored grains and at times may render the food grains unfit for further storage and human consumption.
2. Lack of awareness on ecology and biology of storage pests, improper spraying, fumigation and non-compliance of other technical quality control aspects at store places always results in increased pest population and development of resistance in insects and further damages to food grains.
3. National Institute of Plant Health Management (NIPHM), Hyderabad is organizing an exclusive training on 'Storage Pests Detection, Identification and management' from 04.02.19 to 08.02.19, to create awareness on scientific approaches for stored grain pest management. Therefore, it is requested to nominate the suitable officials from your department/organization/institute.
4. **There is no course fee for candidates nominated by Government Organization and in addition NIPHM provides the below:**
 - a. Free lodging (on twin sharing basis) and boarding for the entire duration of training.
 - b. Reimbursement of travel cost by the shortest route from the place of posting to NIPHM, Hyderabad as per entitled class, but restricted to II/III-tier AC rail fare on submission of original tickets.
 - c. **Officials with prolonged illness and under medication may not be deputed for the training.**

The nominations may be sent over e-mail niphm@nic.in or asoppniphm2-ap@nic.in or over fax: +91 40-24015346 or by post to Director (PB), Plant Biosecurity Division, NIPHM, Rajendranagar, Hyderabad – 500 030.

For further details/information please contact Dr.M.Rajasri, Course Director, Mobile No. 9848743639 and Dr.C.S.Gupta, Associate Course Coordinator, Mobile No. 8978778719.
