D.O.No.PS/DDG(Edn.)/Agrivision/2019

Date : 15 January, 2019

Dear Sir,

In continuation to by earlier letter no. PS/DDG(Edn.)/Agrivision/2018 dated 8 January, 2019 regarding 4th Agrivision-2019 National Convention on "Integrated Agriculture-Prosperous Bharat" which is being organized by Vidyarthi Kalyan Nyas, Bhopal in Collaboration with Ministry of Agriculture & farmers Welfare, MHRD, Department of Chemicals and Fertilizers, MFPI, ICAR and NABARD during January, 28-29 2019 at IARI, New Delhi. The aim of Agrivision-2019 is to provide better education and employment opportunity to all students of Agriculture Science including Veterinary Science. The ultimate aim of Agrivision as a social forum is to create a happy, healthy and profitable environment friendly atmosphere for agri-graduates as well as to revert back the respectable status of farmers of our country. This will give a platform to all our agriculture students to think on different problems of Agril. Sectors i.e. Productivity, Profitability, Quality, Remuneration, Sustainability and Trading Farmers' into business group.

In view of the above, I request you kindly depute and permit the students of your University to register themselves for Agrivision 2019. The students may be deputed to participate in the Agrivision as an educational Instructional tour. The expenditure incurred for the educational tour may be met from budget head of student amenities. I am sure that Agrivision will provide a platform to students and other stake holders to discuss and interact with each other in the area of Agriculture and allied sciences.

With regards,

4th Agrivision-2019 National Convention

on
Integrated Agriculture- Prosperous Bharat

(समन्वित कृषि-समृद्ध भारत)

28-29 January 2019

Venue : National Agricultural Sciences Complex,
ICAR, Pusa, New Delhi

Organized by

Vidyarthi Kalyan Nyas, Bhopal (M.P.)

In Collaboration with

Background

Agriculture is the base of Indian economy. In total 70% people depend on agriculture for their livelihood and employment. In present scenario, the environmental safety and sustainable development of agriculture are the main focus points for the growth and prosperity of the farmers community. As well as, the agriculture research and education system should be based on Indo-centric themes with trans disciplinary research and sustainable exploitation of our resources , balancing with natural environment and ecological security.

Keeping the above facts in view, the vidyarthi kalyan Nyas, Bhopal is going to organize a national convention on "Integrated Agriculture- Prosperous Bharat" at National Agriculture Science Complex, Indian Council of Agriculture Research, Pusa Campus, New Delhi

Themes of Convention

- Indo-centric Approaches of Agriculture in Research, Education and Extension.
- Conservation Agriculture.
- Integrated Farming System.
- Resource Management in Agriculture (Soil, Water and Nutrient).
- Climate Resilience Agriculture.
- Agriculture Engineering and Precision Farming.
- Advances in Production Technology in Horticulture, Agro-forestry and allied sciences.
- Post Harvest Management and Value Addition .
- Livestock Production and Management, Poultry and Fisheries Production Technology.
- Bee Keeping, Organic Pesticides and Bio formulation.
- Organic/ Natural farming.
- Integrated Nutrient, Pest and disease Management .
- Diversification and Safe Food Production System.
- Advances in Farm Mechanization for drudgery reduction in Small and Marginal farmers.
- Different approaches of extension and Economics, Sustainable Agriculture.
