**Sub: AGRI-SKILLS & Update on Collaborations with Agriculture/Veterinary Universities**

Dear Sir

Greetings from Agriculture Skill Council of India (ASCI)

We are pleased to share the latest issue of "AGRI-SKILLS" which highlights some of the major achievements of ASCI in last few months.

As apprised earlier we are collaborating with various Agriculture, Veterinary and Fishery Universities in the area of training and capacity building in Agriculture Sector and have signed MoUs with Agriculture, Veterinary & Fishery Universities. (Annexure I)

We have translated these MoUs into action and we have organized Training of Trainers (ToT) and Master Trainers Program in majority these Institutions. We would be organizing such programs in the remaining universities also.

We had sent a request to various universities to utilize the valuable experience of teachers, research scholars and faculty members as we empanel them as Assessor and Master Trainers. We received an encouraging response from a number of universities and the identified resource persons have already approached by Training Partners and Assessment Agencies. **You may like to circulate the enclosed advertisement to your various College Notice Boards.** (Annexure II)

*We have also been privileged to be invited as a part of Extension Advisory Council of some of the Agriculture Universities wherein we have been able to identify ways and means of Strengthening Skilling Initiatives in their regions effectively.*

Thanks a lot and look forward to your continued support & guidance.

Thanks & Regards,

S.S. Arya
