

# 10<sup>th</sup> Campus Interview of Champion Agro Ltd.

After facilitating 9 Placement Interviews to provide lucrative placement opportunities to our students at the doorstep of our university, we at the *University Placement Cell* of our esteemed Navsari Agricultural University; are pleased to announce that the **10<sup>th</sup> Campus Placement Interview** is to be held on **21<sup>st</sup> March, 2013-THURSDAY**. The details are as follows:

## Champion Agro Ltd. – *Complete Agriculture Solutions Provider...*

- A leading Agro Retail Company that has introduced the concept of Agro retail malls in Gujarat with 34 agro clinics. This chain of agro centers serve as ‘**one stop shop for farmers**’ by providing *Agri-Inputs, Farm Machinery, Cattle Feed and other agri allied products*. Under the umbrella of services, company provides agronomic services including soil testing, crop inspection, weather forecasts and advisory services on farm credit, crop loan, life insurance and medical Insurance etc. The company is pioneered in providing quality fresh produce to the market through its subsidiary Champion Agro Fresh and has diversified in Contract farming for Baby corn, Banana, Pomegranate and other Horticulture products as well as wheat and oilseeds.
- **Facilitating Agriculture Needs:** With its own retail chain of Agribusiness centers and Agri-clinics under the brand name of “**Champion Agro World**”, serving farmers by facilitating all agricultural needs and free agricultural consultancy services from sowing to harvesting of crops.
- **Providing Exhaustive Service Pack for Growth of Agriculture:** The company plans to scale up the existing 34 centers to 400 centers all across India within coming 3 years along with 20 district level malls, agri excellence centers & integrated storage facilities at the proposed project cost of Rs. 6486.50 Million. The company also plans for strategic set up of cold chain facilities at **Rajkot, Ahmedabad, Baroda, Bharuch and Navsari**.
- **Venturing into Processing of F & V:** Also diversified and ventured into processing of fresh Fruits and Vegetables with its brand “**Champion Fresh**” along with the contract farming and horticulture parks. The company had also developed India’s smallest, modern and most economic tractor which acts as all-in-one for farmers. Additionally, it would also set up 10 cold storages for agricultural products.
